## PROOF FILING INFORMATION

If required, you may provide a *California Insurance Proof Certificate* (SR 22) from an insurance company authorized to do business in California. This certificate is acceptable for all California DMV actions requiring proof of financial responsibility.

Proof of financial responsibility may also be met by a \$35,000 cash deposit pursuant to CVC §16054.2 or \$35,000 surety bond pursuant to CVC §16056. Proof may also be filed by a self-insurer on behalf of an employee to permit driving vehicles owned by the self-insurer within the scope of employment. Bond information must be obtained from a surety bond company authorized in California. For information on the cash deposit or self-insurance, you may call (916) 657-6677, or write:

DMV, Financial Responsibility Unit PO Box 942884, M/S J237 Sacramento, CA 94284-0884

For a non-California insurance document to be acceptable, you must complete and return a Declaration Regarding Certificate of Insurance for Non-Resident Driver located on form *California Proof Requirements for Non-Residents* (DL 300). Cash deposits, bonds, and SR 22 forms do not require a declaration. Incomplete declarations and unacceptable insurance documents will not be approved and will be returned. If your insurance is canceled before California's proof filing requirement has ended, your driving privilege can be suspended until a new insurance certificate and declaration has been received and approved.
